

Expression of interest application

Privacy Notice

The IIT Bombay-Monash University Research Academy CIN U80302MH2009NPL193094 of Powai, Mumbai 400076 Maharashtra, India (**the Academy**) collects the personal information you submit in this expression of interest application (**EOI**) to assess your suitability to proceed to apply for the Doctor of Philosophy (PhD) Joint Program (**Program**) offered by the Academy.

The Academy will also collect other personal information from you when you submit other forms to us in relation to your application for the Program and your ongoing enrolment in the Program as well as during your participation in the Program. Monash University operates the platform through which you submit this EOI, your application and other forms to the Academy. All the personal information we collect about you through these forms and your participation in the Program is handled in accordance with the Academy's Privacy Policy (available at [iitbmonash.org]).

The personal information that is collected from you in this form and from other forms that you may complete in connection with the Program, include:

- your name and contact details;
- your education qualifications and publication history;
- your student details and stay details;
- your project information and funding information; and
- your course information, subjects and progress.

The personal information that the Academy collects from you will be used:

- to review your background, academic record and research interests;
- to seek further information about you if required;
- to communicate with you about your application and enrolment (if your application is approved);
- to assess your application and your suitability for the Program;
- to manage your enrolment (if your application is approved);
- to communicate with you through online newsletters;
- to conduct statistical analyses; and
- for any other purpose described in our Privacy Policy (iitbmonash.org).

If you do not provide the Academy with all the personal information required in a form, the Academy may not be able to assess or complete your application or manage your enrolment.

The information the Academy collects about you may also be shared with academic bodies and institutions for the verification of your qualifications and it may be disclosed to government agencies as required by legislation.

If your EOI is assessed as suitable for the Program, the Academy will retain your personal information and use it to invite you to progress to the next stage of the application process and assign you with a unique number. If you are not considered suitable for the Program at this stage, the Academy will retain all personal information disclosed by you in the EOI indefinitely so the Academy knows who has

expressed an interest in applying to the Academy and to access your personal information should you re-submit an expression of interest at any time.

You have the right to access and to seek correction of your personal information that the Academy holds about you, subject to any exceptions in relevant legislation that may apply. If you wish to make an access or correction request, or to inquire about the handling of your personal information, please contact [Ms Kuheli Banerji: kuhelib@iitbmonash.org].
